

2018 Invitational Member Guest

Welcome to the 2018 Keene Country Club Member-Guest! The Men's Golf Committee has an exciting event planned for all four days of competition, games, and great food.

We have some exciting changes for this year's tournament! Thursday, as always, is your opportunity to sharpen your game, and for guests to get a taste of the course conditions, with a practice round. Practice rounds are available throughout the morning, so be sure to get your time set well in advance. Flighted play begins on Friday with two 9 hole matches, followed by two more 9 hole matches on Saturday. Flight play concludes on Sunday morning with the final 9 hole match, with Flight winners determined at the conclusion of the final Flight match! The overall Member/Guest winning team will then be determined with our sudden death Grand March immediately following the conclusion of the seeded matches, with all of the flight winners squaring off for the crystal trophy.

Our very popular Long Drive, Chipping and One Club Tournaments are all back, with lots of fun for all. In addition, this year we are adding a Putting Contest on Friday afternoon, after the Long Drive Competition. Going from three matches on Friday, to two matches, will give us time for a little more fun that afternoon.

This year's Saturday night dinner will once again be featuring some fun yard games out on the patio and lawn, to go along with a fantastic menu of food and drinks. The party will be outside around the pool with cocktail hour beginning at 5:00 and dinner at 6:00. The party will run until 10:00 PM. Note: The pool area will close at 3:00 PM to allow time for set up. This party is for players and spouse/guest and is strictly for those 21 and over. Also be advised that the party will end promptly at 10:00, as staff needs to get home to prepare for Sunday.

During play we will have spotters on the course to assist with finding errant shots and thus help with pace of play. Please be courteous to the spotters but there is no obligation on your part to tip them.

Please note the start times below. We will begin promptly as noted. Plan to arrive a little early on Friday to allow time to register, pick up your gift packet and warm up on the range. Good luck and play well!

Agenda

Thursday, July 12th

7:30am - 12:30pm
Practice Round
(Please call for tee times)
(603) 352-9722
